

Water Management Product

Freshwater Vegetation Management

WH-1500SB Aquatic Weed Hunter

This model is equipped with a support barge to enable stable operation in places with strong waves and winds, or on large lakes and marshes.

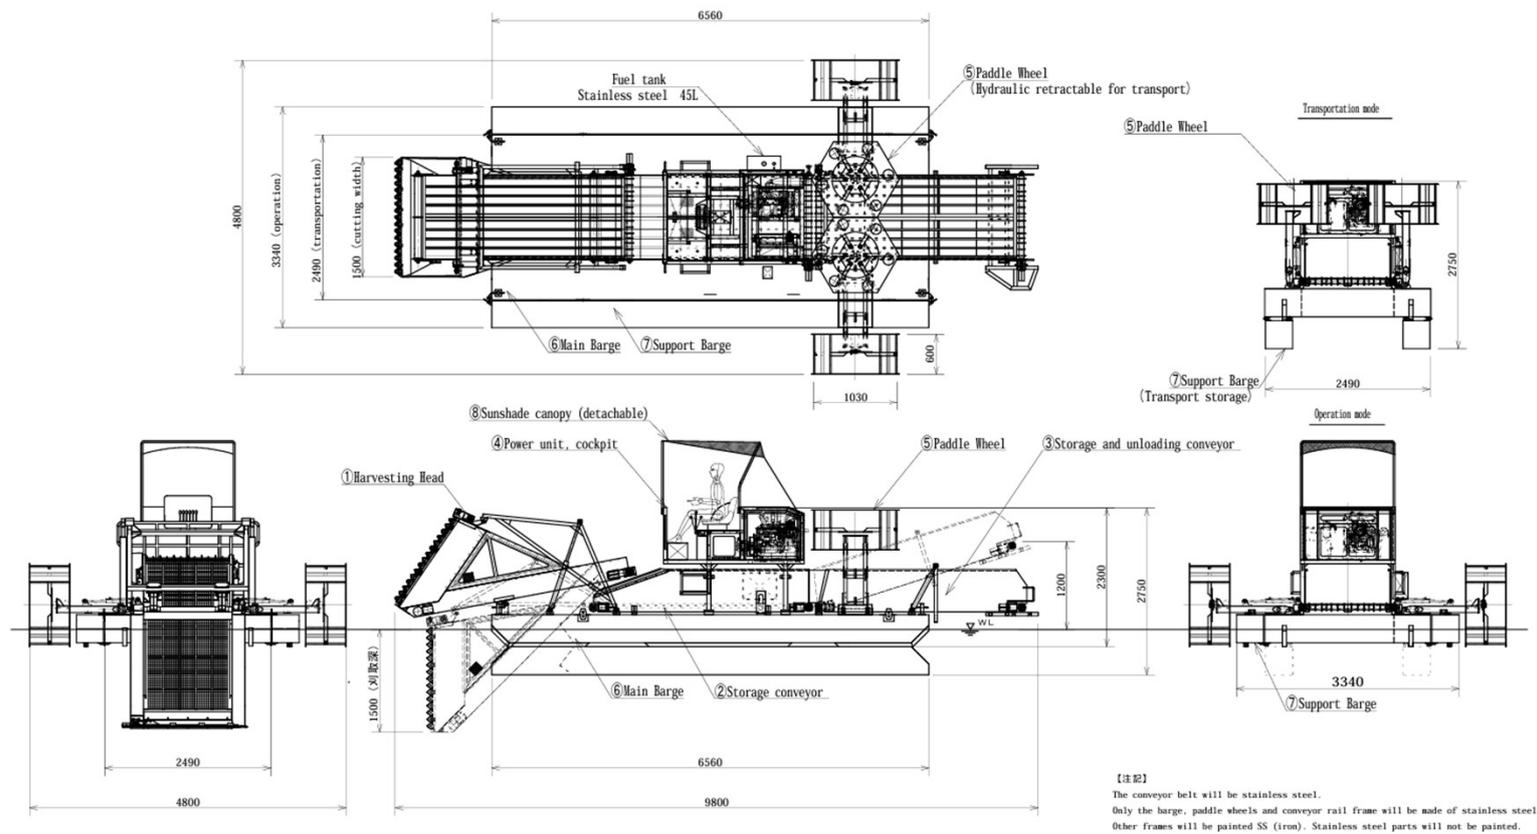

Support Barge

It can enhance the stability of the hull.
It helps suppress tilting when carrying maximum load and prevents capsizing during rough waves.

WH-1800 Aquatic Weed Hunter

Length	9200mm	Storage & Unloading Conveyor	Harvesting Head
Width (shipping)	4360mm		
Height	2490mm	Maximum Weight	approx.1300kg
